The children's hospital is located

Rue Willy-Donzé 6, 1205 Genève

You are entitled to a parking space on the first and last day of hospitalization.

You must go to the general paediatric reception to obtain a badge that gives you this right.

By public transport

From your home in Geneva on SBB
From Geneva station to HUG in TPG:
Tram 18 direction Carouge stop Augustin. It takes 5 minutes to walk from the stop to the hospital.

Travel Reimbursement

Nothing precise is defined because the possibilities are different depending on the patient's insurance and whether or not disability insurance covers them.

It is therefore recommended that the patient contact his insurance company directly. Insurance companies sometimes offer a fixed price for the distance covered or reimbursement of the train ticket.

Meals

Your child receives his trays at

8 am/12 pm/18 pm

You can eat in the cafeteria from Monday to Friday from 7:30 am to 6:30 pm and on weekends from 8:30 am to 4 pm.

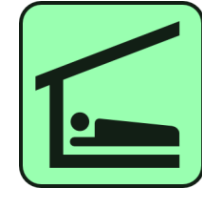

The rates are as follows:

Morning	CHF 7.-
Lunch	CHF 15.-
Dinner	CHF 15.-

Parents who have insured their child with private insurance may request to have trays served in their room at the price of CHF 35 each.

If your financial situation does not allow you to finance your meals, you can ask the social worker for help.

For these two situations, please contact the paediatric surgery reception.

From 2 to 5 nights	CHF 25.- /night
